# Financial Assistance for Employees

**Got Money Troubles?**  
GET DISCREET HELP HERE.

**Child-Support Enforcement Hotline ..... (888) 369-0323**

For custodial parents due support, experts can offer advice, direction, and local resources.

**Mortgage Payment Assistance ..... (888) 238-5073**

For employees falling behind on mortgage payments, this agency will work with your mortgage company to arrange a workout plan to catch up missed payments. Counselors will discuss all options available to avoid foreclosure.

**Debt Relief Hotline ..... (888) 483-9933**

For employees struggling with credit card debt, and medical bills, relief is available. This agency will contact your creditors; reduce payments, interest, and even principal amounts owed.

**Collector Complaint Hotline ..... (888) 535-1556**

If a collection agency or law firm is harassing you, you can complain and make them stop. Speak with an expert to discuss if you have been treated wrongly. They cannot call you at work if you have asked them to stop. They cannot use profanity, make threats or tell others about your debt. You could be compensated up to \$1000 for their reckless actions.

**Tax Relief Hotline ..... (888) 673-6360**

This agency works directly with the IRS and state agencies for taxpayers who owe over \$10,000 in back taxes. Services include: offers in compromise, payment plans, innocent spouse relief, garnishment relief, and reduction of amounts owed. Free consultation.

**Free Bankruptcy Advice ..... (888) 987-7861**

Curious about bankruptcy? If you are drowning in debt, call to learn if you qualify for a fresh new start. Bankruptcy could protect you and your family. Know your options.

**Student Loan Relief Hotline ..... (888) 756-1671**

Students, graduates, and parents can call to reduce monthly payments, consolidate, or cure defaulting student loans. Knowledgeable counselors will consider all available programs to provide relief.

**Credit Score Improvement Hotline ..... (888) 354-6443**

Employees who wish to improve their credit score can call for a free consultation from trustworthy credit experts. In today's economy, lenders are requiring higher scores to get all types of loans. Learn if you qualify to raise your score.

**Pin this poster to your break room wall.** Surveys show over \*30% of all employees are facing financial strain, impairing their productivity and leading to increased turnover. These trustworthy helplines are displayed in over 500,000 workplaces including the Smithsonian Institution, the Armed Forces Family Support Network, and NASA. The free advice is provided by government agencies, non-profit outreach groups, and privately-funded help centers of good standing. Service providers have met standards of performance. The network is managed by CareConnectusa.org, a public benefit organization. All suggestions to improve this resource are welcome.

To order more posters for other locations, contact your poster supplier or inquire at [info@careconnectusa.org](mailto:info@careconnectusa.org).
